

VISA® Account Updater Service for Choice Bank Debit & Credit Cards

Enjoy automatic updates of recurring payment information when you get a new or reissued card!

The Visa Account Updater will provide you with a seamless transition when your Visa Card expires or is replaced. This service will automatically update the card number and/ or expiration date on file if you have recurring payments set up using your VISA Card. Merchants that participate in this program will automatically receive your updated card information.

When your card expires or is re-issued, you won't have to update your payment information with participating merchants. No more hassle when the following events occur:

- Visa Debit & Credit Card is reissued due to normal expiration
- Visa Debit & Credit Card is lost or stolen
- Visa Debit & Credit Card is compromised

As a cardholder, you can experience:

- No unnecessary communication for changes with your card
- Less chance of authorization declines
- Uninterrupted service from merchants who are participating

As of October 2017, you will automatically be enrolled in Visa Account Updater. Its automatic- there's nothing you need to do to initiate this service.

If you wish to opt-out of Visa Account Updater, sign the bottom of this form and return it back to us. If you have any questions please call one of our Personal Bankers at 920-230-1300.
